MEDIA KIT 2025

About us

čarter.hr is a unique website that helps charter companies make better business decisions and improve their management.

We offer
well-positioned and
targeted online
advertising.

Why choose us?

Why advertise with us?

čarter.hr services are used by nautical charter professionals, business managers, base managers, booking and base staff to get relevant information about trends in nautical charter.

Also, to familiarise themselves with various tools that facilitate their daily work and give them the opportunity to improve.

Target group - a precise target market is one of the pillars of a successful advertising campaign and the most important condition for a top result. The main users of čarter.hr are active charter companies with a total of over 4,000 vessels.

Quality recommendations - many related companies for which nautical charter is a field of activity (such as accounting services, insurance companies, etc.) refer their users to čarter.hr.

High ranking on search engines - we are very well positioned for the most important key search terms related to charter business.

Flexible and affordable - we offer a selection of advertising packages tailored to your needs to get the most out of everything. Whether it's reaching your target market through affiliate content creation, increasing your brand awareness or something else, contact us with confidence.

E-book: Nautical charter overview of conditions and trends

An overview of nautical trends is our unique annual analysis of trends in the Croatian charter. To learn more about it, visit our [website](#). If you want to talk about sponsorship, feel free to [contact us](#).

Reach YACHT CHARTER professionals

By partnering with čarter.hr, you give your business the opportunity to operate in the right, growth-enhancing environment. Our website, which has a certain authority, is used by professionals of various profiles in the field of nautical charter. For them it is one of the fundamental sources for many aspects of their business.

Benefits

- ✓ Bring visitors to your website when they are looking for advice or need a specific suggestion for their business and when they are looking for industry related news.
- ✓ Ideal for boosting a broader marketing campaign or testing new audiences.
- ✓ Coordinate your business with čarter.hr to gain the inherited trust and authority.

Advertising placement

Depending on your needs and wishes, our marketing offer includes sponsored content, e-books, various reports and sponsored newsletters.

Sponsored content

Traditional ads often can't convey all the important information you like to apply to your target market, so sponsored content is a great solution. Therefore, we place articles, posts, images, videos and more in selected relevant places so that your target customers can find you and gain trust in your brand.

- SEO benefits from positioning on a website with credibility
- Article promoted in our weekly newsletter
- Positioning on čarter.hr for a continuous period of six months
- Links to your website
- Mentioning on social networks

Sponsored newsletters

Sponsored eNewsletters are a great opportunity to raise awareness about your brand, expand your target market and achieve conversions. Our team will dedicate themselves to their creation so that everything, from graphics to the text, is perfectly aligned with needs of your potential clients.
